26 March 2021

Dear Parents/Carers

I hope this letter finds you well and in good spirits. I am writing to you because your child is due to join Redbridge Community School in September and I would like to let you know what we are planning for them and what you can expect from us during this uncertain time.

Obviously our plans are conditional as we will be following the Government's recommendations regarding opening schools to students and will follow social distancing guidelines accordingly. To this end we have formulated a plan that would see your child invited to visit us for a day of activities on **Wednesday 7th July** to help them settle into the surroundings of the school. We would like to give our future students the chance to get a sense of what it is like to come to Redbridge, so this day will provide a fantastic opportunity for that. On the evening of Wednesday 7th July we will also be inviting you all for a special parents' evening for year 6 parents where we will be able to welcome you to the school and also impart key information.

We will be in contact with your child's primary school and by the Summer term we will be well aware of any extra care your child may be in need of as well as any special consideration that we may have to give them with regards to learning requirements, health concerns, social needs or emotional wellbeing. Sheryll Lunn (our SENCO) has excellent links and communication with each school and very thoroughly arranges support for all the students who have been identified as having SEN.

We will be sending you further correspondence around the middle of June time. This will include important and useful information on things like uniform and timetables and other practical things as well as give you a sense for what Redbridge is about with regards to the events and clubs your child can get involved with. We are also updating the school website with this information for year 6 parents to access easily. Please refer to this link:

<https://www.redbridgecommunityschool.com/parent-area>

We look forward to having your child join our school soon.

Kind regards

Miss Crisell
Assistant Head of Year - Transition
