Here are some of the Year 6 students taking part in the Parachute Challenge. Pupils worked in groups of 3 to create a parachute with only a few pieces of equipment and then tested their craft using an egg as their passenger. Needless to say they had a "cracking" time. #Aspiration

Redbridge Community School @RedbridgeCS

Other activities on Transition Day today included decorating plant pots and planting wildflower seeds to take home, and taking part in a Shape Search to identify different shapes out and around the school. We have been so impressed by the students today - well done! #Respect

Redbridge Community School @RedbridgeCS

On Transition Day all year 6 students were given a book to keep from our Year 7 Discovery reading list to read over the summer. Don't forget to send us your book review on the postcard!
